

# China - Singapore International Packaging Technology Cooperation and Exchange Day

苏州 - 新加坡国际包装科技合作交流日

China - Singapore International Packaging Technology Cooperation and Exchange Day was successfully held in Suzhou Lakeside Hotel on 13 November 2015.

The programme, organized by Tat Seng Packaging (Suzhou) Co., Ltd., was supported by International Enterprise Singapore, Suzhou Science and Technology Bureau, Xiangcheng District Government, China Packaging Federation Paper Products Committee and Suzhou Singapore Club. More than 200 guests were invited to the event.

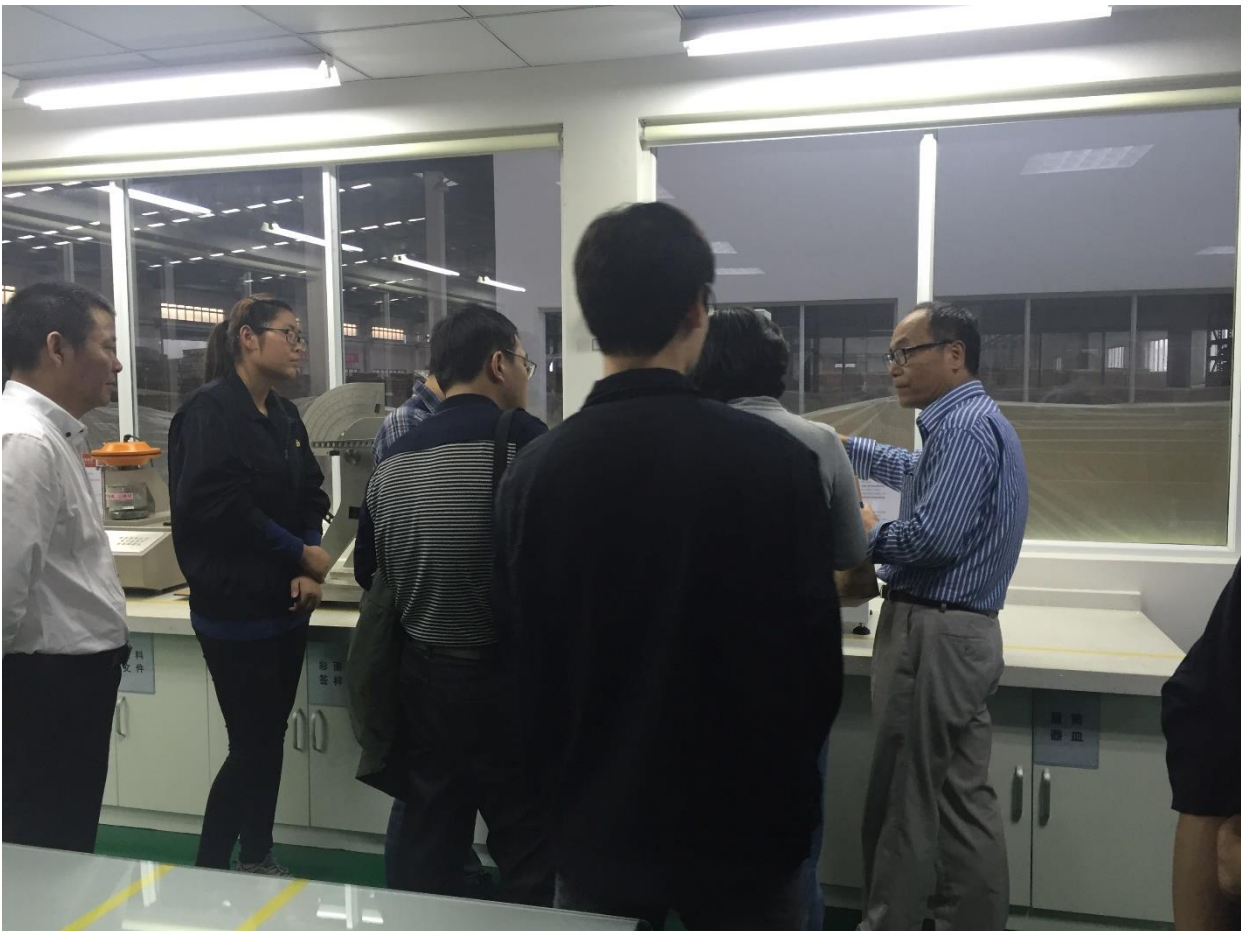

The event aims to further promote the scientific and technological cooperation between Suzhou City & Singapore, to build a resource platform for learning foreign advanced technology and experience in order to promote high-level exchanges in innovative technologies between China & Singapore.
